

HALLOWEEN

PET SAFETY

Keep Halloween fun and safe for pets

Keep Pets Indoors

Trick-or-treat traffic can be stressful. Keep pets safely inside and away from the door.

Costumes Are Optional

If you dress your pet:

- ✓ Make sure it's comfortable
- ✓ Avoid small or dangling pieces
- ✓ Remove costumes if your pet shows stress

No Candy for Pets

Chocolate and candy can be toxic. Keep all treats out of reach.

ID Saves Lives

Pets may bolt when scared. Make sure collars, tags, or microchips are up to date.

Avoid Jack-O'-Lanterns

Lit pumpkins can be knocked over and cause burns or fires.

Prevent Dog Bites

Always ask before touching a dog or cat you don't know. Fear might cause an unexpected reaction.
